

## The Sudans dimensions: A country divided by ethnicity and religion

The Sudans Dimensions explores persistency conflicts in the country on the basis of the three regional relationships. The three regional relationships on the Sudans dimensions include Darfur- and Northern Sudans relationship, Southern- and Northern Sudans relationship, Sudans ethnic- vs. religious relationship. The book asserts that the Sudans dimensions are caused by peoples aspirations for economic survival when people deem that social identity will get them whatever they wanted.
