

The Mental Status of Czolgosz, the Assassin of President McKinley (Classic Reprint)

Excerpt from The Mental Status of Czolgosz, the Assassin of President McKinley I regret that the experts were forced to take such immediate action as they did and present an opinion based upon only a portion of the data available. For this reason I regard it as desirable to publish the facts embodied in this paper. No doubt others will obtain more, and by and by when we get at the whole history of Czolgosz from beginning to end, we may have enough data to give us the final verdict which will stand in the future as the correct one. It is a strange way that history has of slowly but surely getting at the truth of a matter and often reversing the conclusions arrived at in the heat of the battle. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
