

Telepathy Genuine and Fraudulent is a wonderful glimpse into the world of historical psychical/paranormal researchers. Not only does this book act as a learners guide for modern-day researchers of supernatural phenomena but it holds within its pages a documentation of how belief systems can be challenged in the most polite of manners. Baggally is an experienced investigator of supernormal phenomena and within this book has set down some of his experiences in connection with telepathy. Includes chapters dealing with: genuine telepathy; fraudulent telepathy; Zancigs. Baggally gives accounts of actual cases, experiments and methods used by the public in the transmission of thought. The Paranormal, the new ebook series from F&W Media International Ltd, resurrecting rare titles, classic publications and out-of-print texts, as well as new ebook titles on the supernatural - other-worldly books for the digital age. The series includes a range of paranormal subjects from angels, fairies and UFOs to near-death experiences, vampires, ghosts and witchcraft.
